

Holly Grove School Newsletter

6th December 2021

www.holly-grove.lancs.sch.uk / www.facebook.com/HollyGroveSchool

We hope you had a lovely weekend!

I want to reassure you that we are doing everything we can in school to keep your children safe from the new Covid variant. As you know we have remained in class groups since September but all staff are now wearing masks again (when in corridors and collecting children from transport) in line with government guidance.

Sadly, this means we are no longer inviting parents/visitors into school. Although Boris says Nativities and performances can go ahead, as a school for children who are very vulnerable, we have decided we will not be having additional adults in school due to the increased risks for our children.

I hope you understand why we have made this difficult decision and support us in this. I can assure you that we will do all we can as a staff team to ensure your children enjoy activities in their classes in the build up to Christmas.

If you would like to share anything on the newsletter, you can send photos etc. to :
