School reopens Tuesday 22nd February.

Wow! Archie's 'Dress to Express' outfit represents everything that makes Archie who he is.

A bright top as he is always happy.

Peppa Pig - his favourite programme.

A blue stripe to represent his love for rivers and waterfalls.

A laughing emoji as he is always giggling.

A heart - he is so loving and affectionate.

A rollercoaster - for his love of fast rides.

Buttons - for his love of chocolate.

A leaf for his love of nature and all things sensory.

A car and musical note for what he likes to do best - line up his cars and dance.

A Super hero symbol to represent he is a **super hero** to us.

Thank you to Archie's parents for sending us this wonderful description!
