

# Holly Grove School Newsletter

**25th April 2022**

**Welcome back! We hope you had a Great Easter!**

## **COVID-19 UPDATE**

School will return to 'normal' operational practise without most restrictions in place. Obviously as a specialist provision we have some very vulnerable children so we will continue to carry out regular cleaning/hygiene routines and will continue to use our Viro Cube to disinfectant shared rooms on a regular basis (especially if we are informed of a covid case in that room, to try and reduce further contamination).

Can we ask that if your child is unwell they remain at home with you until all symptoms have cleared up. School staff still have access to test kits and will test if they display symptoms and will not come into school if they are positive.

**Thank you for your support!**

A huge thank you to everyone who supported World Autism Awareness Week and celebrated the National Autistic Society's 60th Birthday by taking part in the 'Super 60 Challenge.'

Each class completed their own challenge linked to things they enjoy and we are so pleased to say we raised a whopping £1540 for the National Autistic Society.

Thank you for helping us to raise this fantastic amount and for helping us to raise acceptance for all the wonderful people we know and love with Autism and to help make the world a better place.

Have a Great Week!

## **FAMILY FORUM**

Our next Family Forum is planned for Friday 29th April at 1.30pm. (Please note this is a change of date, originally 22/04/22)

This will be an opportunity to share updates from topics discussed at previous forums and to discuss preferred topics for future forums.

If you would like to join us, please meet Nick at Holly Grove reception at 1.15pm. If you are intending to take your child home after school, please let Nick know and he will inform their class team to keep them until the meeting has finished.

We look forward to seeing you on Friday 29th April!

Well done to Harley, who has settled into Holly Grove fantastically, making new friends in both his class and around the school. He has also worked extremely hard throughout his lessons last week.

We are all so proud of you!

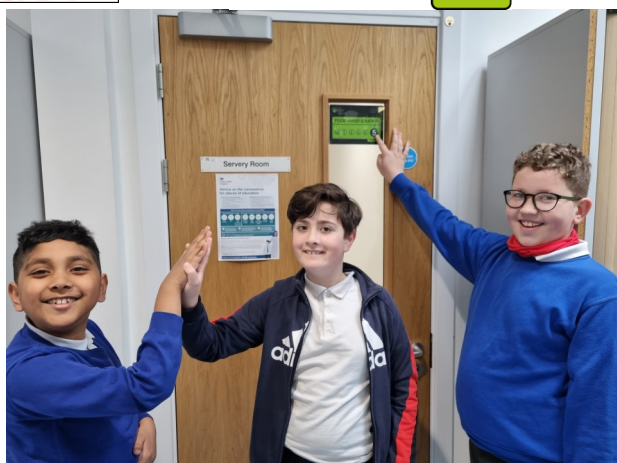

We are very proud of one of our TA's, Carley for recently passing her Maths qualification.

Well Done Carley!

A fantastic achievement!

We are proud to announce that our Merry Berry kitchen has received a 'high 5' from Environmental Health in a recent inspection.

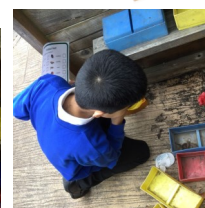

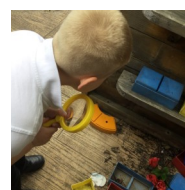

We would like to express our thanks to our School Business Manager Lesley, who was a big help in us gaining this rating.

## Let's go on a minibeast hunt

Libby's class have been on a minibeast hunt in the Sensory Garden.

**Laura is our staff member of the week for being a fantastic supportive mentor throughout her trainees placements, whilst also excelling in meeting the needs of her children.**

**Well done Laura.**

We hope you are enjoying the Bug Club Home Reading Programme.

If you would like any information or support in accessing your child's account, do not hesitate to contact us.
