Sign of the Week

We are going to be putting a different Makaton sign every week onto the newsletter. This will give you the opportunity to practise different signs with your child at home.

Connor's class have been taking part in a 'Capacity Challenge' in Maths. The aim was to take turns to add water to the cup without the water overflowing.

Joanne is our staff member of the week for being so calm and patient when we encountered technical problems with an item of school equipment.

Well Done Joanne!
