CAN YOU HELP?

As the school year comes to an end, many of us are sorting through our children's wardrobes and finding school uniforms that have been outgrown.

Instead of letting them sit unused, I wanted to reach out and ask for your help! We have an opportunity to support other families from our school who might benefit from second-hand school uniforms for the upcoming academic year.

If you have any school uniforms in good condition that no longer fit your children, please consider donating them to school in September. Let's come together and ensure that every child has access to quality uniforms, making the back-to-school season a little easier for those who might be facing financial challenges.

You can drop off the uniforms at Holly Grove School or if you need someone to pick them up, please feel free to message me directly, and I'll be more than happy to arrange that.

Thank you for all your help and support.
