Dear Colleague,

Lancashire Equality Mark – Gender & Sexual Orientation Badges

Thank you for meeting me to have a look at the fantastic work that is going on in your school. From our conversation it was evident that promoting equality is embedded across school and your curriculum.

I was particularly impressed with the inclusive environment and ethos across whole school. The leadership of the school clearly demonstrates and models mutual respect between all members of the school community. This shows school leaders are passionate about this area of work and that the children are at the centre of everything you do.

I would like to make special mention of the way you have engaged key stakeholders including parents and governors to develop your curriculum with sensitivity. I have therefore decided to award your school the Gender and Sexual Orientation Equality badges.

A certificate is attached for you to display in school along with logos you may use on your letterhead and school website. If you would like us to come in to school to present your certificate, please do not hesitate to get in touch.

Yours faithfully
