

Subject Report

Teacher: Julie Aspin

Subject: Geography

Date: 3.06.2024

This year in Geography each class has been exploring landscapes, weather and cultures of different countries across the World.

Moving forward the subject leader will be researching resources to help with delivery of subject and asking teachers for resource requests then prioritising these requests.

Subject Leader to research and source Geography text books, big books and poster packs to aid learning and develop Geography knowledge across the school.

Subject Leader to support community Geography visits to explore local area and field work skills.

Subject Leader to encourage and support classes to take their lessons outside and into local area.

Teachers to evaluate Geography scheme and report thoughts and findings to subject Leader.

Subject Leader to complete Learning Walks and continue to track pupil progress with teachers.
