

How we keep safe at Holly Grove School:

Holly Grove School

Children's Safeguarding Information

Created by Holly Grove School Council 2020-2021

What safeguarding means to us...

“It keeps us safe from other people. If anything happens in school or at home, we know that we can speak to our teachers at Holly Grove.”

Our Designated Safeguarding Leads (DSLs) are:

Karen

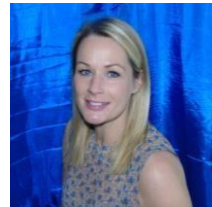

Eve

Nick

Aisling

Rebecca

What we do to keep safe:

- We are always with staff
- We can go and talk in the Nurture Room
- We put information posters around school
- We use passwords and always keep our personal information and passwords private
- We would tell a teacher about any bullying
- We look out for our friends
- We have Key Workers that we can talk to
- School is always safe and secure
- We promote internet safety and antibullying with “Internet Safety Days” and “Friendship Week”
- We learn about keeping ourselves and others safe through PSHE, ICT and lots of other lessons in school
